VOLUME 46

REMEMBERING THE MOMENTS

Mr. Dose and his son Tyler. Remember Tyler's first words? "What is that?"

and the dances. And all the good times that they brought?

There were a lot of changes this year that won't be hard to forget, especially the new principal and his new policies.

There are so many more memories that we don't have room to name them all. To help us remember we present the 1984 EDDY. We hope you enjoy it.

Dana Schippers makes up Tracy Richards as Brer Rabbit for the fall play; "Livin' de Life".

The 1984 Yearbook Staff would like to present this years EDDY. This years theme is Memories. Throughout the year, we, the staff have worked hard taking pictures, and doing the many other little tasks that are the responsibility of the yearbook staff. All of these things were done so that we could present to you this reminder of the good times, the fun times, and as little as possible of the bad times.

Remember the first day of school, trying to figure out the schedules? And

trying to open your new locker?

Remember seeing all the new faces, most of them 7th graders, some foreign exchange students, and some new students?

Remember the sports, the plays,

Preston Williams and Joy Bolibaugh take it easy after a long school day.

One of Pat Walker's alias "Big Man", favorite pastimes was playing basketball after school.

Remember the assemblies, especially the segregated ones? Everyone is trying to get seated before the movie starts.

Here the J.V. Cheerleaders are entertaining the crowds before one of the games of a rather tough season.

HOMECOMING ACTIVITIES

Homecoming has always been a week filled with fun and excitement and this year was no exception. Activities were scheduled for each day of the week to get everyone in the school spirit for the big game on Friday. On Monday, everyone dressed in wild out-

fits for Crazy Day. Tuesday was Anything Goes Day, but due to rain, the competition was cancelled. On Wednesday, students dressed up for the pageant which gave them a chance to meet the queen candidates. The jersey auction was held on Thurs-

day. After the parade that evening, the senior girls defeated the junior girls in powder puff football. Friday was Black and Gold Day and Slave Day. Before the game, Friday evening, Dana Schippers was crowned the 1983 Homecoming Queen. Colette Cady was first runner-up and Susan Shultz was second runner-up. Friday evening, the Rockets went up against the Twin Cedars Sabers and were defeated 48-0. A dance was held after the game which brought the week to a close.

Sue Ann Glenn gave Crazy Day a touch of class with her tie.

Mr. DeNuet holds up Pat Lee's jersey.

Shelly Wyatt was a flag girl; a new addition.

Deb Edgren was one of many students who dressed up for Crazy Day.

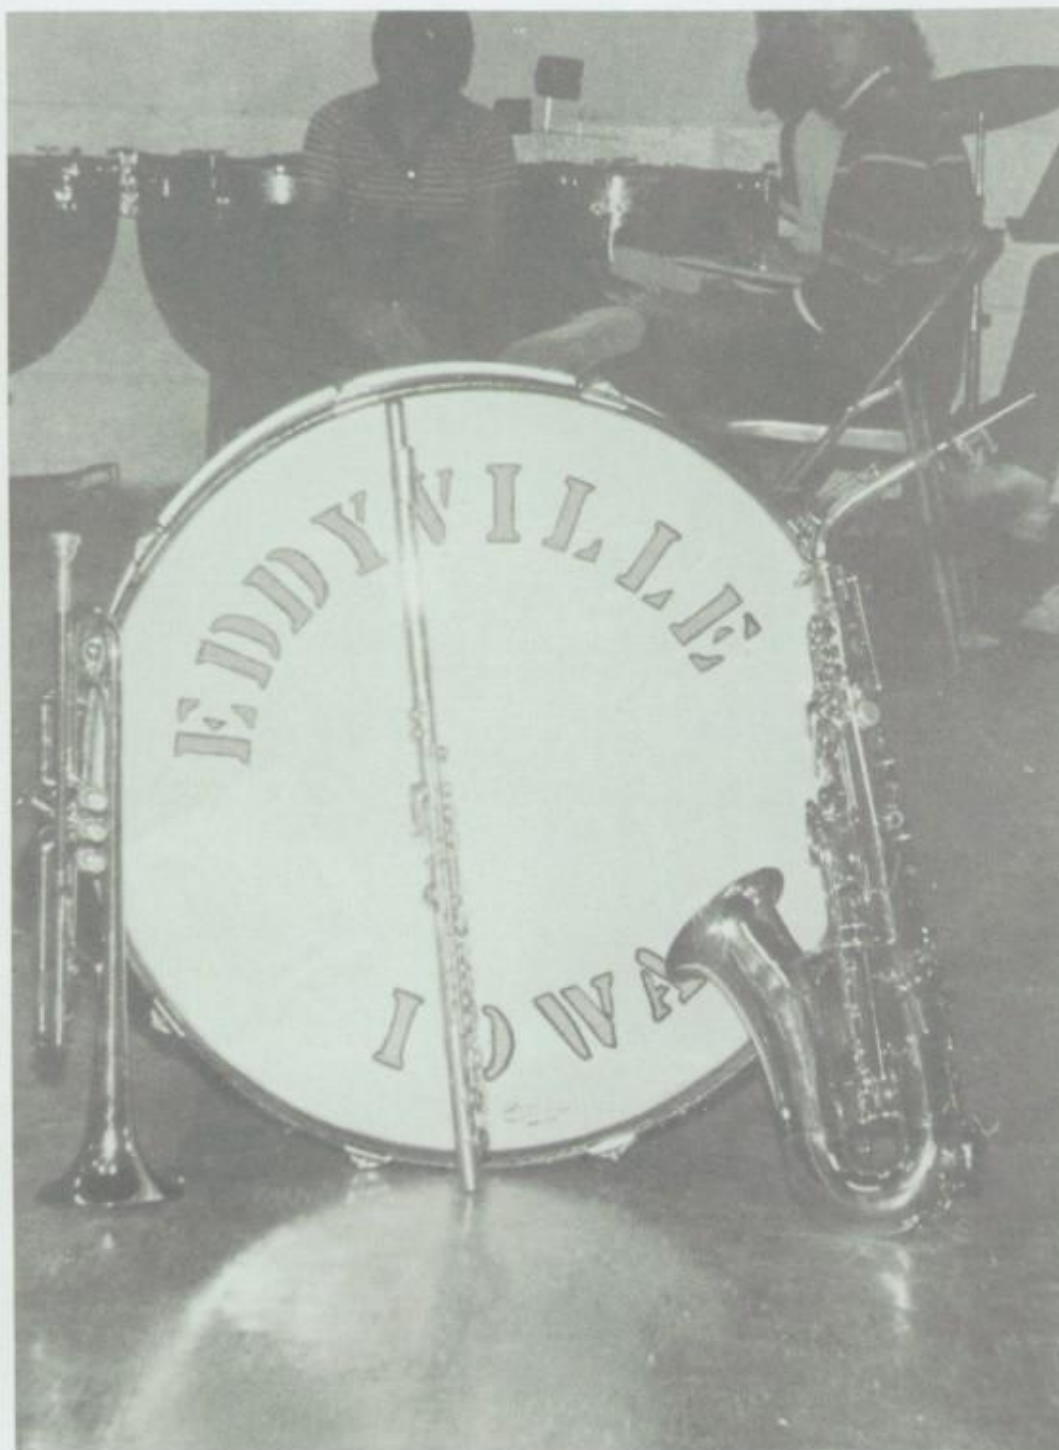

Tony Atchison and Chris Sutton (in the barrel) rode the sophomore's float. It won first place in the parade.

David Lobberecht and Mr. Kent helped paint the seniors' second place float.

HOCKEY AT E.H.S.?????

Something that will surely be remembered from the 1983-84 school year is this year's hockey team. The phantom team was a joke that mushroomed into a legend; that will be in our memories for years to come.

Coach Hensley good naturedly agreed to be the fictitious coach and under his tutelage the Rockets compiled an undefeated season. Team leader was David Dalbey who set numerous records with his skating skills and puck magic. KLEE had exclusive coverage of all games.

CHEERLEADING MEMORIES

Jumping, screaming, leading cheers,
 Game after game, over the years.
 Rejoicing in victory, sorrowing in defeat,
 Being a cheerleader has really been neat,
 Practices, late nights, bruises and pain,
 Not too much for all I have gained.
 Ninth grade, tenth grade, junior and senior
 grades was later,
 Four whole years, what could have been
 greater?
 Terrific, hardworking, those Rocket teams,
 How fast time has gone it seems.
 Graduation, college, but one thing is for sure,
 My love for our Rockets will always endure.

JUNIOR VARSITY BASKETBALL

Christine Cady, Laura Sauter, Jackie Shultz, Angie

WRESTLING

The Cheerleaders this year have had a lot of fun but the
 fun will always be with them because of the fun
 memories. All the games might not have been victorious
 but it was all worth it.

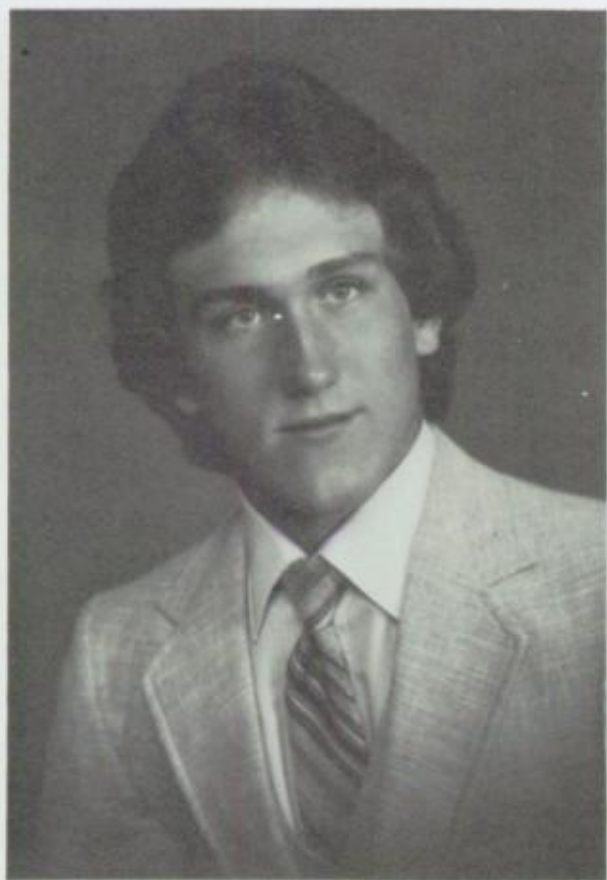

Could this be the silent majority?

PRACTICE! PRACTICE! PRACTICE!

Darin Leslie Krusemark

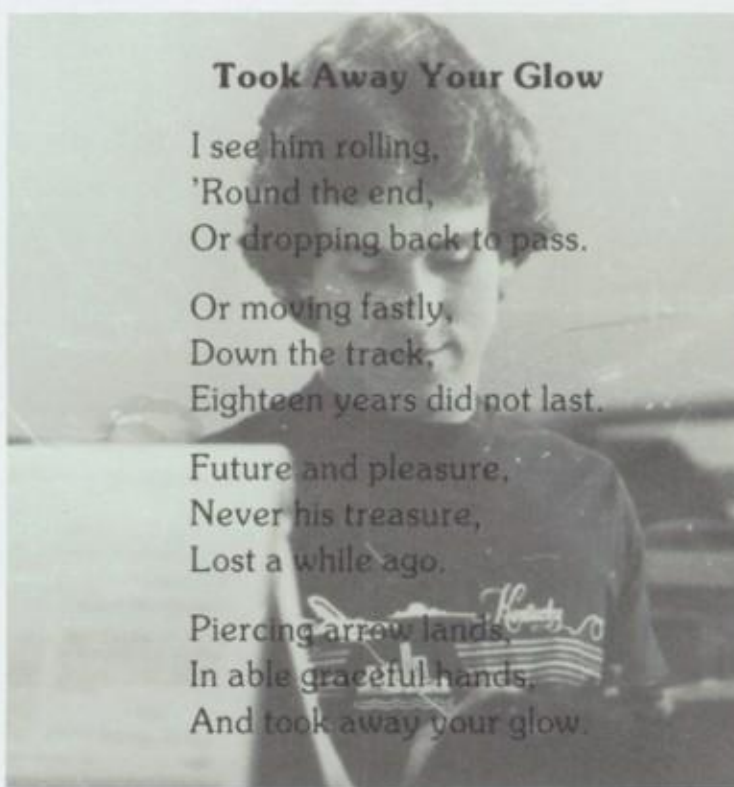

Took Away Your Glow

I see him rolling,
'Round the end,
Or dropping back to pass.

Or moving fastly,
Down the track,
Eighteen years did not last.

Future and pleasure,
Never his treasure,
Lost a while ago.

Piercing arrow lands,
In able graceful hands,
And took away your glow.

Throughout the year, we have worked, trying to put together the best yearbook possible. The 1983-84 staff has worked hard taking and printing pictures, planning pages, trying to meet deadlines, and performing the many other various tasks that it takes to put this book together. I would like to thank the staff for the long hours that they put into this collection of the past year's memories. I along with the staff would like to thank you the students, teachers, and administrators for making these memories possible. We hope you've enjoyed the 1984 EDDY.

EDDY DAY '83

The 1983 EDDY was dedicated to Mrs. DeKraai

“TODAY IS THE FIRST DAY OF THE REST OF OUR LIVES”

GRADUATION. The time of year that everyone looks forward to; especially the seniors.

Not only does graduation mean having the seniors gone but it also signifies that another school year has come and gone and next fall the underclassmen come a step closer to a very memorable event in their lives.

The theme for this years graduation, “Today is the first day of the rest of our lives,” says a lot. After high school everyone goes their own way whether it be college, marriage, work, or anything.

The Class of '83 has a lot of potential that will help all of them in some way or another. GOOD LUCK!!!!

GRADUATION DAY

Today we'll start a new life,
And we'll say our last good-byes,
To all the friends we've grown to love,
With whom we've laughed and cried.

Remembering the fun and laughter,
The problems and the fears,
And watching all our memories grow,
Throughout our high school years.

The memories of the dances,
And the new friends we've met,
Vacations, teachers, talking,
And exams we'd like to forget.

High school days are precious but brief,
Where all your dreams come true,
It is not the end but the beginning,
Of a life we'll start anew.
